

Holy Anointing

There's an oily anointing
In the presence of the Lord
There's an oil that's flowing in this place

It's an oil of healing
It's an oil of joy
It's an oil of breakthrough
That's flowing in this place

It's an oil of unity
It's an oil of peace
It's an oil of miracles
That's flowing in this place

So step on in step on in
Step on in into the oil
The oil that's flowing in this place
