

Jesus Is The Rock

CHORUS

Jesus is the rock that roled my blues away.
Jesus is the rock that roled my blues away.
Jesus is the rock that roled my blues away.

VERSE 1

Some people are say'n that God would be dead.
Make no way to believe what they say.
No matter what they tell you, no matter what they do.
He's living in my heart, that's not proof?

VERSE 2 + 3

You're looking for love, listen what I'm say'n.
You won't find it in a bottle, won't find it in a smoke.
Won't find it in a needle, won't find it in gold.
You'll find it in Jesus! Jesus breaks the yoke!
